<b>Goals</b>	<i>What goals did you set this year that are in alignment with this Strategic Plan? Please prioritize your list and indicate after each goal what the current status is (i.e. completed, % completed, estimated completion date, etc.).</i>
--------------	---

My goal was to reach out and get something started with coordinating College/University Partnerships across the state of Colorado.

<b>Programs</b>	<i>Did you identify and/or hold any programs/activities/events that were in alignment with this Strategic Plan? If yes, please give a brief description of each and the date in which it was held/conducted.</i>
-----------------	--

No programs, 1 effort.

I believe that there are possibilities for the C/U partnerships across the state of Colorado to individually and collectively play an active role in addressing the needs of the AAUW strategic plan. In the Fall of 2019-20, I accepted the role as state C/U chair. The only action taken was to develop a brief questionnaire that was distributed to a list of state members connected to various colleges and universities in the state. After receiving five replies, it became obvious that I have little understanding of how the list is developed and therefore exactly who the individuals represent. Are they truly C/U liaisons or representatives? I have reached out to the national office for clarity. This is indeed a slow transition to clear action; however, because of my experience as a C/U liaison and representative for Fort Lewis College, I am grateful to have been given the opportunity to take even a baby step forward in this coordination for AAUW-Colorado.
