### **STRATEGIC PLAN AREAS**

**Leadership:** *Closing the gender gap in leadership opportunities.*

**Governance & Sustainability:** *Ensuring the strength, relevance, and viability of AAUW well into the future.*

<b>Goals</b>	<i>What goals did you set this year that are in alignment with this Strategic Plan? Please prioritize your list and indicate after each goal what the current status is (i.e. completed, % completed, estimated completion date, etc.).</i>
--------------	---

1. We provide, through the budgeting process, funds available for board members and committee chairs to help inform and promote strategic plan-related programming at the state level.
2. We help our branches reach the \$30 per capita gift fundraising goal. We offer the option to redirect the \$10 board and committee attendance payments to AAUW Funds.
3. We promote NCCWSL scholarships for our student members by raising money for NCCWSL. This would be accomplished by providing options to redirect the \$10 board and committee attendance payments to NCCWSL. In addition, several branches contributed to the NCCWSL Fund of AAUW of Colorado.
4. We recommended a contribution of \$2,500 in state funds to support National's request for donations (to Greatest Needs Fund) to keep them within their balanced budget and build our Strategic Plan categories since most of National's funds are restricted to specific other uses.

<b>Programs</b>	<i>Did you identify and/or hold any programs/activities/events that were in alignment with this Strategic Plan? If yes, please give a brief description of each and the date in which it was held/conducted.</i>
