

## Want a chance to avoid the National dues increases for the next three years?

As you know, national AAUW 2022 dues are scheduled to be \$62, up from this year's \$59; go up to \$67 in 2023; and again up to \$72 in 2024.

When national AAUW raises dues, an opportunity to pay for a 20-year Paid Life Membership at the current level is offered. SO, if you have paid your 2021 dues, you are eligible to pay \$1,121 to national now, never have an increase in your dues in the future, and receive the benefits of AAUW membership for your lifetime! **This offer expires on March 16, 2021.**

If you wait until next year the Paid Life Membership offer will be \$1,240; \$1,340 in 2023; and \$1,440 in 2024. You'd be saving long-term for yourself and supporting AAUW in this short-term time of need. The form you will need to take advantage of the 2022 option can be found on the AAUW of Colorado website.
