PRESENTERS

GUEST SPEAKER Drew Houston:

Colorado Springs native Drew Houston brings enthusiasm and passion for the work of Citizen's Project. Prior to accepting the role of Executive Director at Citizen's Project, she held many volunteer roles, and worked as a Community Organizer for a health equity organization.

An action-oriented leader, Drew is drawn to the verbs in the Citizen's Project Mission and upon earning her Master's degree in Leadership in 2020, feels most excited about leading Citizens Project as it continues to engage, empower, and challenge our community.
