**If there is space, please include the following information – thanks.**

The League of Women Voters of Arapahoe and Douglas Counties is a nonprofit; nonpartisan political organization whose purposes are to promote informed and active participation of citizens in their government. These candidate events serve to educate the public, motivate voters to participate in the elections, and give voters a chance to hear the views of the candidates. Our organization does not support or oppose candidates or political parties.

The American Association of University Women promotes equitable political participation because democracy works when everyone can fully participate. AAUW is non-partisan and has a strong record of advocacy and action but does not support nor oppose candidates or political parties.
